

Project Recipe

Created: 13/01/2026

Visual Style: Geometric (Low Poly)

Complexity: Intricate

Audience: Adults

Master Prompt: A grand Victorian-era clockmaker's workshop. In the center is a massive, floor-to-ceiling astronomical clock with visible brass gears, rotating planet spheres, and intricate zodiac carvings. Tools like tiny hammers and magnifying glasses are scattered on a nearby wooden workbench. Tall windows in the background show a city skyline with smoke rising from distant chimneys.
